

VOTE!

While You're Overseas

We've Got You Covered...

Here's How You Do It:

- ✔ **Register** - if not already. Applications are available on-line at pascovotes.com.
- ✔ **Request a ballot** at pascovotes.com. From home page select "Vote by Mail" tab in the left-hand column. Your ballot can be e-mailed to you. Request specific elections or the next general election cycle.
- ✔ **Keep your contact information current** including your e-mail and snail mail addresses.
- ✔ **Update your signature** - the signature on your returned ballot is verified against what we have on file. Complete a voter registration application on pascovotes.com.
- ✔ **Track your ballot** - at pascovotes.com. A simple query will inform you when the ballot was delivered to you and if the voted ballot has been received back by our office.
